1.0 INTRODUCTION

1.1 Historical Background of the Institute of Adult Education

The Institute of Adult Education (IAE) is a public service institution which traces its history back before independence when it was a section under the Department of Extra-Mural Studies of Makerere University College, Kampala in Uganda.

In 1963, after independence, the Institute became a department of the University College of Dar es Salaam. Apart from continuing with the previous duties, it was assigned more responsibilities and duties.

The year 1975 marked a turning point in the Institute's historical development. Thus, through Parliamentary Act No 12 of 1975; the Institute of Adult Education was granted an autonomous status.

1.2 Core functions

The core functions and objectives of the Institute include but not limited to the following:

- a. Offer Certificates, Diplomas and Degree in Adult Education and Community Development.
- b. Offer distance education on both academic and professional courses.
- c. Organize mass education through national campaigns, workshops and seminars on various cross cutting issues such as health, civic education, environment and gender.

- d. Produce publications such as journals, post-literacy readers, facilitation manuals, study materials and newsletters for the general public.
- e. Train adult educators and community development workers on participatory development approaches.
- f. Offer consultancy services in various fields of adult education to both government and non-governmental organizations.
- g. Provide printing services to publishers, institutions and other agencies.
- h. Conduct research on adult education and non-formal education and community development issues and etc.

1.3 Vision and Mission

Vision statement

To be a leading world institution that creates a continuously learning society

Mission statement

To continuously design, develop and deliver accessible quality life-long education programs through blended learning for sustainable social-economic development of Tanzania, Africa and the rest of the world.

1.4 Core Values

The Institute of Adult Education is guided by the following core values:

- a. Professionalism
- b. Transparency

- c. Integrity
- d. Accountability
- e. Creativity and Innovativeness
- f. Hard work
- g. Team spirit
- h. Social responsibility
- i. Gender equity

5.3 Mode of Training

5.3.1 Facilitation and Learning Sessions

Modules are facilitated in lectures (Interactive lectures) and plenary sessions combined with seminars or tutorials and practical assignments each week. Students are required to prepare themselves and follow up with self studies for each required module. All lecturers are available for individual counseling and guidance.

Diploma students who are studying through open and distance learning will meet in face-to-face programmes organized at the centres in the regions. The other time will be utilized by the students themselves interacting with the study materials in physical separation from the tutors.

5.3.2 Semester Paper Writing (Project)

Students are required to write a semester paper on a topic to be chosen by the students in collaboration with their lecturers. Students therefore, have to write on the topic and present their ideas in a meaningful way.

5.3.3 Research

Research work, in the form of Independent study and Research-Based project, is also the important part of the course. Students are attached to tutors for supervision from the development of the research proposals to completion of report writing. Finally, tutors mark the research reports and award grades accordingly.

6.0 ASSESSMENTS AND CERTIFICATION

6.1 Examinations Regulations

6.1.1 A candidate shall be eligible for an examination at the Institute after fulfilling the following conditions:

- a) He/she is registered for an examination in modules taken;
- b) He/she has attended at least 75% of the official learning sessions;
- c) He/she has completed all exercises in continuous assessments and he/she has passed according to the set pass mark.
- d) He/she has paid all the Institute fees for the course, unless otherwise decided.

A candidate who fails to pass continuous assessment will be given an opportunity to supplement the continuous assessment in the failed module, failure to which will lead to repeating the module.

6.1.2 Each candidate shall be required to observe all the regulations pertaining to conduct of examinations. Violation of which, a penalty will be decided upon by the Examinations Board depending on the case. The regulations are as outlined below:

- a) Each candidate admitted into the examination room shall have an examination identification card bearing an examination number.
- b) Borrowing of working tools from another candidate in the examination room is prohibited.
- c) All candidates will assemble outside the examination room and will only enter if and when allowed to do so by the invigilator.
- d) Before entering the examination room, each candidate shall be inspected by the invigilator to ensure that he/she is not carrying any unauthorized material with him/her like mobile-phones or any audio or visual material, lecture notes, piece of paper, correcting fluid, blotting paper, text-book, dictionary, instruments and the like unless expressly permitted in the specific examination.
- e) Each candidate shall write his/her examination number on top of the cover and on each page of the answer script on the space provided before commencing to answer the examination questions.

- f) Candidates will start writing after they are allowed to do so by the invigilator and they will stop writing when they are told to do so.
- g) All examination questions shall be answered in the answer booklet provided and no candidate shall be allowed to detach any paper from that answer booklet or script.
- h) All rough works must be written in the answer booklet or script and cancelled through.
- i) Candidates are prohibited from writing or annotating in the question papers.
- j) Candidates are not allowed to smoke in the examination room.
- k) Candidates are not allowed to distract other examinees' attention by actions such as commotions, telephone noises, and related disturbances in the examination room.

6.1.3 Cheating shall be defined as any act of using unauthorized materials, giving or receiving unauthorized materials, giving or receiving unauthorized assistance of any form whether overt or covert during an examination or test session. Unless otherwise stated, the following shall be counted as cases of dishonesty or cheating:

- a) Copying the work of another candidate during the examination, test or any given individual assignment;
- b) Copying from notes, text sheets or other materials during an examination or test;
- c) Collaborating with another candidate during an examination or test;

- d) Using paralinguistic gestures such as peeping at another candidate's examination or test paper;
- e) Communicate with another candidate orally or through body language like nodding;
- f) Permitting another candidate to copy from, or use one's script or paper;
- g) Removing examination answer booklets/sheets from the examination room;
- h) Destroying any evidence related to any suspected irregularity.
- i) Failure or refusal by any candidate, to sign on the invigilators' report of facts in any irregularity discovered;
- j) Failure or refusal by any candidate to sign an official dispatch book to acknowledge receipt of an invitation to a subsequent oral hearing/cross examination;
- k) Submission of an unofficial examination script.
- l) Unauthorized possession or disposition of academic materials such as piece of paper, writing and drawing, stealing examinations, selling or buying of examinations or test papers prior to the sitting for the examination or test; taking other candidates academic work without permission; or seduction and possession of examinations or other test papers not formally released by the authority.

6.1.4 Examination irregularity is an inappropriate conduct which impairs academic integrity. Unless otherwise stated, the following shall be counted as cases of examination irregularity:

- (a) Any act of violating the examination regulations,
- (b) A candidate who is proved to be involved in an act of dishonest or cheating commits an examination offence.
- (c) A candidate who is found to have committed an examination offence shall be discontinued from studies.

6.1.5 Discontinuation from Studies

Students will be discontinued from studies as a result of the following:

- (a) Failure to attend end of semester examinations due to incomplete course work or any other reasons unless caused by extenuating circumstances.
- (b) Failure to pass end of semester examinations at a minimum GPA of 2.0
- (c) Examination irregularities as they are defined by IAE Examinations Regulations.
- (d) Failure to pay student fees, and other charges.
- (e) Disciplinary offence as described by the by-laws of the Institute of Adult Education.

6.1.6 Regulations for Appeals against Discontinuation from Studies

- (a) If a student is discontinued from studies on grounds of academic performance and is dissatisfied with the decision, the student can appeal in writing to the Chairperson of the Council not later than 21 days after the release of examinations results.
- (b) The appeal will only be considered if the student

produces evidence to the effect that he/she would have performed well if he/she were not affected by the circumstances stated in the appeal.

- (c) If the reasons for appeal are based on health grounds, documented evidence from a recognized medical practitioner to whom the student reported for treatment must be produced.
- (d) Medical certificates produced with the intention to back the appeal will not be considered if the Institute's authorities have no record of the student's illness.
- (e) Where and when it happens that a student gets problems of the nature that he/she feels will undermine his/her performance in the given examination, he/she should apply in writing to the Director seeking to postpone sitting for the examination or for part of the examination which falls after the occurrence of the problem(s). But if in spite of the problem known to him/her, the student decides to attempt the examination and eventually fails and appeals, the appeal will not fall on the grounds for consideration.

6.2 Module Assessments

6.2.1 Continuous Assessment

There will be continuous assessment during the course, comprising quiz, practical work/project, portfolio, timed essay/test, presentation and participation and Mid-Semester Examinations.

The continuous assessment for each module shall be completed prior to its examination at the end of a semester in which it is offered.

The continuous assessment results for each module shall be completed and feedback on students' performance will be given to them prior to sitting of respective end of module or semester examination.

Semester course work assessment for students in the conventional programme

➤ Practical work/Project	-	10.0
➤ Timed Essay/Test	-	10.0
➤ Portfolio	-	10.0
➤ Presentation & Participation	-	05.0
➤ Mid Semester Examination	-	<u>15.0</u>

D	Marginal fail	40-49	1	40-44	1	35-39	1
F	Fail	0-39	0	0-39	0	0-34	0
Minimum Pass		C		C		C	

6.2.4 Final Classification of Awards

Certificate		Ordinary Diploma		Bachelor Degree	
Class	Range of GPA	Class	Range of GPA	Class	Range of GPA
First Class	3.5-4.0	First Class	4.4-5.0	First Class	4.4-5.0
Second Class	3.0-3.4	Upper Second Class	3.5-4.3	Upper Second Class	3.5-4.3
		Lower Second Class	2.7-3.4	Lower Second Class	2.7-3.4
Pass	2.0-2.9	Pass	2.0-2.6	Pass	2.0-2.6

Cumulative Grade Point Average (GPA) shall be computed by considering the summation of grade points of all credit modules divided by the total number of credits stipulated within the module taken by a student i.e.

$$\text{Cumulative GPA} = \frac{\text{Sum of } (P \times N)}{\text{Sum of } N}$$

Where P represents a grade point assigned to a letter grade scored by the student in a module and N represents the number of credits associated with the module.

The IAE may withhold or cancel the results of a candidate if it considers that such candidate has been involved in irregularities before, during or after examinations.

The IAE shall reserve the right to withhold or cancel an award of any candidates, in proved cases of substantial

and significant copying, plagiarism or other fraud or to revoke, any certificate it has awarded and require the issued certificate be returned.

6.2.5 Dissemination of Semester and Supplementary/First sitting Examinations Results

Results for semester and supplementary/First sitting examinations shall be disseminated through the IAE website: www.iae.ac.tz and notice boards at the Head office in Dar es Salaam.

6.2.6 Loss of Certificate

Once issued, a certificate is not replicated. The Institute of Adult Education will only issue an affidavit in place of a lost certificate on the following conditions:

- (a) The claimant produces a police report indicating loss of a certificate and application for an affidavit.
- (b) Any affidavit issued in replacement of the lost certificate will be marked "affidavit for" the original on top of it.
- (c) The claimant will have to pay fee as determined by the Finance Committee of the Governing Council of the Institute of Adult Education at the material time.

8.0 STUDENTS WELFARE AT THE INSTITUTE

8.1 Students Organization

The Institute of Adult Education Students' Organization (IAESO) is the official recognized organization representing all students at the Institute. The main roles of the organization are:

- (i) to coordinate and voice the collective wishes of its members (students);
- (ii) to represent the students' body at the Institute's various meetings and
- (iii) to project the educational welfare and interests of its members.

The organization is headed by an elected President whose term of Office is normally one academic year.

Currently the IAESO is under the following leaders:-

- 1) President: KASELA, Abas
- 2) Vice President: SHADRACK, Neema
- 3) Prime Minister: RAMADHAN, Hussein
- 4) General Secretary: MPHANYE, Jenitha
- 5) Speaker: FERUZ, Asha
- 6) Deputy Speaker: JOSIAS, Joseph

8. 2 Residence

The Institute does not provide residence for students attending the courses. However the student Organization, in collaboration with the Institute, makes some arrangements to acquire accommodation/residence where possible for students.

8. 3 Medical Examination/services

Submission of a medical examination report is conditional before the admission of any student. Students are, therefore, required to undergo medical examination by a registered medical practitioner before coming to the Institute.

Being non-residential, the Institute does not provide students with medical services. A student meets the services on his/her own arrangements. Fees and other expenses related thereto are the responsibility of the student himself or herself with his or her sponsor.

8.4 Immigration Formalities

Every foreign student is required to apply for and obtain a residence permit from the Director of Immigration Services before he or she departs for Tanzania. Residence permit application forms can be obtained from the Director of Immigration Services, on request.

8.5 Catering Services

Catering service is offered by private cafeteria/canteen, which is situated within the Institute's premises. There are also other cafeteria and restaurants in the nearby surroundings which, similarly, offer the service. Costs for the services are met by the student himself/herself.

8.6 Stationery and Text Books

Students are expected to buy their own stationery and textbooks. Other reading materials are available at the Institute's Library. Students will be informed from time to time by their lecturers on the type of textbooks and stationery required.

8.7 Library and Information Services

The Institute has a library which is easily accessible to the students. It operates from Monday to Friday at 8:30 am to 2:00 pm and 8:30 to 2:00 pm on Saturdays. The library is not open on Sundays and public holidays. The Institute is also harnessing computer structures for provision of internet services that are easily accessible to students. Also IAE students, are advised to become members of other libraries like Tanzania Centre Library, situated along

UWT Road, and Open University of Tanzania Library situated along Kawawa Road in Kinondoni; and also to be pro-active towards acquiring personal simple wireless internet services from vendors like TTCL, Sasa-tel etc, using laptops which can be bought from shops that sell them for cheap or through loans. This will, surely, boost their image and, therefore, improve job marketability since it ensures availability of study materials and knowledge all the time.

Private internet café and stationery are available within the IAE campus beside the ones in the library.

8.8 Sports and Games

The IAE is a member of Sports Association of Tanzania Higher Learning Institutions. It uses play grounds of neighboring Institutions particularly Zanaki Secondary School.

Among the plays and games include: athletics, Basketball, Table-tennis, volleyball, netball and football.

8.9 Bursaries and Fees

8.9.1 General

The Institute of Adult Education (IAE) will only accept students who have produced a written commitment or evidence from their sponsors they will be adequately financed during their course.

Tuition and other fees for the entire 2012/13 Academic Year are due and payable prior to registration. The Institute may however, allow these payments to be paid by Instalments. Students or their sponsors shall deposit payments into the indicated Institute account and present original bank pay-in slip for acknowledgement and proceeds for registration, issuing of an identity card for the current semester, which will permit them to attend classes or use any of Institute facilities.

Name of Account: Institute of Adult Education
Account Number: 20601100081
Banker: NMB, Morogoro Road Branch

8.9.2 Payment Instalments

All students including private sponsorship, those being sponsored by employers or other agencies, must pay 2/3 of annual to register for 1st semester and must pay the entire balance to register for 2nd semester.

8.9.3 Loans Board Students

First year students expecting to receive loans from HESLB must provide evidence that they will receive such a loan and must pay required amount, to register for 1st semester, regardless of the amount they expect to receive. These students must pay the amount required to bring up to 1/2 of annual fees based on their means test (MT).

HESLB students whose MT are unknown at the time of registration shall pay 1/2 of annual fees. Excess fee payment shall be carried over to the next year.

HESLB students must pay the balance of 1st semester tuition as soon as they or the Institute receives official notice of their MT level from the HSLB and not later than three (3) weeks prior to 1st semester exams, even if they have received nothing from HESLB.

Continuing students who received a loan in the previous year must pay the amount to cover the gap between their loan level and 2/3 of annual fee to register for 1st semester.

In all cases, loans students must pay the balance of their share of tuition and all other fees prior to registration for 2nd semester.

8.9.4 Refunds for Overpayment

The Institute shall not refund overpayments while a student is enrolled and continuing with studies, but shall carry credits forward to subsequent Academic Years. There are no exceptions.

8.9.5 Penalty for Late Registration

The Institute provides a limited time for registration both for continuing and first year students. After the expiry of the stated period, the students who reports after that period will be required to pay a stated amount of fee as penalty which will be also indicated in the students' receipt.

8.9.6 Multiple Sponsorship

The Institute shall limit multiple sponsorship of students, especially for those students supported by HESLB. For the case of HESLB student, multiple sponsorships are restricted under the Memorandum of Understanding (MOU) signed between HSLB and IAE for the general case, IAE ethical standards required due diligence with money entrusted to us from sponsors and required compliance with the Bank of Tanzania anti-Money Laundering Policies.

8.9.7 The limitations are as follows

1. The Institute shall not distribute any excess sponsorship funds to any students. Excess funds are those above the total tuition and fees a student shall owe during the entire course of study at IAE.
2. In the case where one sponsor is HESLB, the IAE shall return ALL the excess funds to HESLB, as loan repayment for the student. IAE shall ensure there is adequate and conclusive communication the student's loan balance at HESLB is reduced by the amount returned. This allows HESLB to reallocate its limited resources to other needy students and demonstrates payment credibility.
3. In other cases, the Institute shall return excess sponsorship funds to one or more of the multiple sponsors. Which sponsor receives a refund shall be a joint decision by the Institute, the sponsors and the student, with written confirmation of the agreed refund procedure. Sponsors who wish to provide extra allowances to a student to make private arrangements in such situations. All funds
